# Exhibition Design

---

By taking advantage of trained staff, we could offer various types of exhibition booth ranging from mixed modular-custom to fully custom designs. In order to have a hassle-free experience, we provide you in-budget consultation, efficient design and during-the-show technical support. We have the confidence to claim that we are one of the most competent exhibition contractors in Iran. Located in a close range of Tehran International Fair ground, our team have a good access to the exhibition site and thus, regular checkup would be easier for the executive supervisors. **We are with you from A to Z.**

Having more than 6 years of experience, our reliable and qualified fabrication teams-divided to sales, designing and executive departments – have the ability to provide customers with high-end results. Although our numerous customers are among brand owners and well-known companies, regardless to size of the projects, the comfort and satisfaction of all of our customers is our top priority. Looking forward to a longterm relationship, we long to fulfill your trust and all your exhibition requirements.

Authorized as a GRADE A exhibition builder (registered in Iran International Exhibition Co.), we are able to provide high-grade services on your requests even in large scale projects. Consequently, group projects such as countries' pavilions could be easily managed for budget projects; while individuals can comfortably have their big stands.

Due to the countless customers' tastes for designs and services, we have done our bests to combine creativity, team management and punctuality to provide a challenge-free, and for sure, in-budget experience.

#### **Our stand package includes:**

- Free 3D design and executive CAD plans
- Raised flooring with different covering
- Furniture, lighting, counter and equipment
- All-inclusive fixed price
- Complete end-to-end project execution
- Full executive support during the show
